Invitation & Call for Abstracts – deLIVER 2017

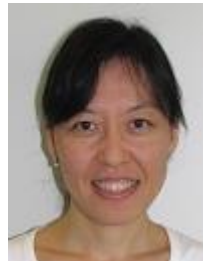

Dear motivated young scientist,

We are excited to invite you to the first PhD student organized international Hepatology symposium at the **Heinrich-Heine University Düsseldorf** from **28th to 29th September 2017**. The symposium is supported by [SFB 974](#) (Communication and Systems Relevance in Liver Injury and Regeneration, speaker Prof. Dr. Dieter Häussinger) and focuses on advanced technology in Hepatology, and we are enthusiastic about our international keynote speakers who will talk about the state of the art and recent revolutionary methods.

Bruno Stieger

Department of Clinical
Pharmacology and Toxicology
University Hospital Zurich

Yan-Rou Lou

Division of Pharmaceutical
Bioscience
University of Helsinki

Lars Zender

Gastrointestinal Oncology
Comprehensive Cancer Center
University of Tübingen

Detailed topics and further speakers will be announced on our website (deliver.hhu.de).

You think your methods or results are particularly smart or of great interest for the Hepatology community? Then come and share them with us, either in a talk or at a poster presentation. We are especially looking for **YOU** – a young scientist at the beginning of his/her career. For registration, abstract submission and details visit deliver.hhu.de and like us on [Facebook](#). Please recognize our early bird fees are available until May 31th!

Yours,

PhD students of the SFB974
